

Light Supplies

You can order the light bulbs for the Intelligent Plant Lights from Replacementlightbulbs.com.

The specific web page for that bulb is <http://www.replacementlightbulbs.com/lampflse11w65.html>. They are currently \$4.32 each. If you buy them from Indoor Gardening Supplies they are \$16 and \$12.95 from Amazon.

We bought 30 to save on shipping and I have several at home if someone needs one in the short run.

Kandolite FLS/E 9W 6500K Lamp

Item #: Kandolite FLS/E 9W 6500K Lamp

The light itself is available at Indoor Gardening Supplies for \$46 each

<http://indoorgardensupplies.com/shop/product-category/desktop-lights/>

They are also available on Amazon for \$49.97.

My light meter came from Amazon. It is a Mastech Light Meter LX1012BS with lcd display. I paid \$22.99 for it.
